Section 1

The Relational Presentation Approach	1
--	---

Chapter 1

Where We've Been and Where We're Heading	2
---	----------

1.1 Digital Presentation's Journey	4
1.2 The Need for Change	5
1.3 What You Will See and Do From Here.....	6

Chapter 2

What Is Relational Presentation?	8
---	----------

2.1 About Relational Presentation.....	10
2.2 Why Does It Matter?	10
2.3 What Inspired These Ideas?	11
2.4 The Theory Behind Visual Interactivity	12
2.5 A Shift in Thinking	13
2.6 The Significance of Visual Clues	16
2.7 Becoming a Systems Thinker	17
2.8 Guiding Principles.....	19
2.9 Additional Thoughts.....	23

Chapter 3

How Does This Approach Help Me?	24
--	-----------

3.1 Benefits Introduction.....	26
3.2 About Bill.....	26
3.3 Customization.....	28
3.4 Hidden and Subtle Features	30
3.5 Categorical Selection.....	31
3.6 The Presenter's Aid	32
3.7 Stress Reduction	35
3.8 Handling Objections, Closes and Obstacles	35
3.9 Additional Thoughts.....	36

Contents

Section 2

Getting Started with PowerPoint Skills.....	39
---	----

Chapter 4

Introduction and Setup.....	40
------------------------------------	-----------

4.1 The Tool.....	42
4.2 The Ribbon	42
4.3 Getting Rid of Placeholders	44
4.4 Changes to PowerPoint Options	45

Chapter 5

Working with Shapes.....	46
---------------------------------	-----------

5.1 Thinking Outside the Software	48
5.2 What Is a Shape?.....	48
5.3 Shapes and Flexible Presentation.....	49
5.4 Creating Shapes	53
5.5 Selecting Shapes.....	53
5.6 Moving Shapes.....	54
5.7 Resizing Shapes	55
5.8 Adding Fill Color to Shapes.....	56
5.9 Adjusting a Shape's Outline.....	58
5.10 Adding Effects to Shapes.....	59
5.11 Adding Gradients to Shapes.....	59
5.12 Making a Shape Invisible	62
5.13 Filling Shapes with Texture.....	63
5.14 Filling Shapes with Pictures.....	64
5.15 Adding Text to Shapes.....	64
5.16 Changing Shape Characteristics.....	66
5.17 Changing to a Different Shape	67
5.18 Copying and Pasting Shapes	67
5.19 Applying the Format Painter	69
5.20 Alignment Using the Ribbon	70
5.21 Alignment Using Guides.....	71

Contents

5.22	Distributing Shapes.....	72
5.23	Changing Stacking Order.....	72
5.24	Using the Selection Pane	74
5.25	Grouping Shapes	76
5.26	Rotating Shapes	76
5.27	Creating Lighting Effects.....	77
	Exercise—Shapes	78

Chapter 6

Working with Pictures	80	
6.1	The Roles of Pictures.....	82
6.2	What Is a Picture?.....	83
6.3	About Picture Formats.....	85
6.4	Picture Size, File Size, and Resolution.....	87
6.5	Inserting Pictures.....	90
6.6	Insert and Link (Pictures).....	91
6.7	Changing a Picture	93
6.8	Resizing and Constraining Pictures.....	94
6.9	Adding a Border to a Picture	95
6.10	Adding an Effect to a Picture	95
6.11	Cropping Pictures.....	98
6.12	Making Picture Shapes	99
6.13	Compressing Pictures	100
6.14	Moving Pictures.....	101
6.15	Flipping Pictures.....	101
6.16	Copying and Pasting Pictures	102
6.17	Alignment Using the Ribbon	103
6.18	Alignment Using Guides.....	103
6.19	Distributing Pictures	105
6.20	Adjusting Picture Stacking Order	106
6.21	Grouping Pictures	106
6.22	Rotating Pictures	107
6.23	Darkening or Lightening Pictures.....	108
6.24	Adding Transparency to Pictures.....	108

Contents

6.25 Full-Screen Display	109
6.26 Creating Picture Stories	110
6.27 Incorporating Screenshots.....	117
6.28 Strategies for Stock Photos	120
6.29 Using the Photo Album Feature.....	121
6.30 Where to Find Pictures	123
Exercise—Pictures.....	124

Chapter 7

Working with Hyperlinks	126
7.1 Introducing Hyperlinks.....	128
7.2 What Is a Hyperlink?	128
7.3 Hyperlink Roles in Relational Presentation	129
7.4 Hyperlink Sources and Destinations.....	130
7.5 Helpful Facts to Know about Hyperlinks.....	131
7.6 Inserting Hyperlinks	132
7.7 Internal Hyperlinks.....	132
7.8 External Hyperlinks	134
7.9 Linking to a Web Page	137
7.10 External Linking and Memory	138
7.11 Closing Slide Show Windows.....	139
7.12 Getting Rid of the Link Path Display.....	139
7.13 Hyperlinks and Stacking Order	140
7.14 Hyperlinks and the Slide Master	140
7.15 Hyperlinks with Invisible Sources.....	141
7.16 Referential Integrity	141
7.17 Editing Hyperlinks.....	144
7.18 Linking Strategies.....	144

Chapter 8

Working with Custom Shows.....	146
8.1 Introducing Custom Shows	148
8.2 Creating a Custom Show.....	149

Contents

8.3 Using a Custom Show	150
8.4 Pros and Cons of Custom Shows	151
Exercise—Custom Shows	154

Section 3

Adding Navigation to Slide Shows	157
--	-----

Chapter 9

Navigation Elements and Styles	158
9.1 What Is Navigation?	160
9.2 Navigation Design Logic.....	161
9.3 Navigation Elements.....	163
9.4 Navigation Styles: SHOWCASE	164
Exercise A—SHOWCASE Navigation.....	165
Exercise B—SHOWCASE Navigation	166
9.5 Navigation Styles: IN-LINE	168
Exercise A—IN-LINE Navigation	169
Exercise B—IN-LINE Navigation.....	171
9.6 Navigation Styles: ZONE	172
Exercise—ZONE Navigation	174
9.7 Navigation Styles: INVISIBLE.....	176
Exercise—INVISIBLE Navigation	179
9.8 Navigation Styles: NESTED.....	180
Exercise—NESTED Navigation	184
9.9 Navigation Styles: ANIMATED	194

Chapter 10

Navigation Strategies and Concepts	196
10.1 Navigation Best Practices	198
10.2 Navigation Element Aesthetics	198
10.3 Encouraging Interactivity.....	200
10.4 Promoting Presenter Expertise.....	201

Contents

10.5 Obscuring Information	202
10.6 Link Consistency	203
10.7 Link Redundancy	204
10.8 The Illusion of Completion	205
10.9 Linearity vs. Navigation.....	206
10.10 Navigation Building Strategies	207

Section 4

Planning and Building a Presentation Network.....	209
---	-----

Chapter 11

Systems Thinking and Speaking Environments210

11.1 Introducing Systems	212
11.2 Systems Dynamics Variables	213
11.3 Systems Dynamics Effects	215
11.4 The Role of Modularity	218
11.5 Information Clustering.....	219
11.6 Content Management	220
11.7 Information Architecture.....	221
11.8 The Content Ladder	221
11.9 The Value of Reusable Content	223

Chapter 12

Components of a Presentation Network226

12.1 About Presentation Networks	228
12.2 Network Components	230
12.3 Cover (Branding) Show	231
12.4 Main Switchboard	237
12.5 Seed Presentations.....	239
12.6 Subswitchboards	241
12.7 Core Networks.....	243
12.8 Primary Shows and Collections	244
12.9 Picture/Video Stories.....	246

Contents

12.10	Conclusions Section	247
12.11	Resources Section	247
12.12	Primary Navigation Buttons	249
12.13	The Virtual Switchboard Illusion	253
12.14	The Reason for a Separate Cover	255
	Exercise—Presentation Network	256

Chapter 13

The Seven Phases Approach.....	258	
13.1	Introducing the Seven Phases..... 260	
13.2	Phase 1: Needs Analysis..... 263	
13.3	Phase 2: Content Analysis..... 267	
13.4	Phase 3: Content Organization..... 271	
13.5	Phase 4: Building the Network..... 273	
13.6	Phase 5: Alpha/Beta Testing the Network..... 275	
13.7	Phase 6: Implementation..... 276	
13.8	Phase 7: Follow-up and Maintenance..... 277	
	Exercise—Seven Phases	278

Section 5

Design Considerations	281
-----------------------------	-----

Chapter 14

Communicating with Visuals.....	282	
14.1	The Current Mindset..... 284	
14.2	Moving Beyond Bullets	284
14.3	You Can Develop a Visual Outlook	286
14.4	Think Picture Stories..... 287	
14.5	Include Real Experiences..... 288	
14.6	Augment Graphic Arts Skills..... 289	
14.7	Look for Visual Inspiration..... 290	
14.8	Don't Forget the Obvious	291

Contents

Chapter 15

Visual Elements You Can Use	292
15.1 The Elements of Visual Expression.....	294
15.2 Visual Elements: Text.....	295
15.3 Visual Elements: Pictures	296
15.4 Visual Elements: Graphics	297
15.5 Visual Elements: Graphs/Tables/Diagrams/Charts	300
15.6 Visual Elements: Freehand Drawings	302
15.7 Visual Elements: Inserted Objects.....	303
15.8 Visual Elements: Video.....	304
15.9 Visual Elements: Animation	305

Chapter 16

Design Strategies	306
16.1 The Importance of Quality Design	308
16.2 A Quick Summary of Design Principles.....	309
16.3 Use of Colors	310
16.4 Consistency	312
16.5 Off-center Placement.....	316
16.6 More Lighting Effects.....	317
16.7 Backlighting.....	320
16.8 Design Coordination.....	321
16.9 Unnecessary Labeling.....	321
16.10 Visual Clues.....	322
16.11 Alternatives to Bullet Points.....	326

Section 6

Delivering Relational Presentations	331
---	-----

Chapter 17

The Four Types of Interactivity	332
17.1 Introduction to Interactivity	334
17.2 Passive Interactivity	335

Contents

17.3 Active Interactivity	336
17.4 Full-Visual Interactivity	337
17.5 Multipresenter Interactivity	338
17.6 Presenter Mobility	339

Chapter 18

Delivery: Strategies and Techniques.....	340
18.1 This Delivery Is Different	342
18.2 Visual Fluency.....	343
18.3 Preparing the Audience.....	344
18.4 Audience-Directed Presentation	345
18.5 Staying on Track	346
18.6 Redirecting Messages	347
18.7 Skipping or Adding Content	348
18.8 Talking Over the Pause	349
18.9 Simplicity to Complexity.....	350
18.10 Multiple Tracks	351
18.11 Socratic Questioning	352
18.12 Breaking Up the Action	353
18.13 The Imagination Effect.....	354
18.14 Handouts and Interactivity.....	355

Section 7

Succeeding with Relational Presentation.....	357

Chapter 19

The Four Growth Stages.....	358
19.1 What to Expect.....	360
19.2 Stage 1: Experimentation.....	361
19.3 Stage 2: Network Development.....	362
19.4 Stage 3: Disillusionment	363
19.5 Stage 4: Regular Application.....	364
19.6 Thoughts on the Stages.....	365

Contents

Chapter 20

Succeeding with Relational Presentation	366
20.1 Success Strategies	368
20.2 Strategy 1: Intense Initial Focus.....	368
20.3 Strategy 2: Plan the Ideal Network	369
20.4 Strategy 3: Decide Priorities.....	370
20.5 Strategy 4: Stay Linear at First.....	371
20.6 Strategy 5: Build Gradually.....	372
20.7 Strategy 6: Be Systematic.....	373
20.8 Strategy 7: Avoid Scope Creep.....	373
20.9 Strategy 8: Learn Graphic Design	374
20.10 Strategy 9: Join the User Community	375

Chapter 21

Where Can I Find More Help and Resources?	376
21.1 Support Options and Resources.....	378
21.2 Live Online Workshops	378
21.3 Self-guided Online Study	378
21.4 Companion Book on Media Creation Skills	379
21.5 E-mail Support Program	380
21.6 Software Development	380
21.7 The Relational Community	381
